O R D E R

On May 18, 2000, the Commission received the application of Kentucky-Ohio Gas Acquisition Company ("KOGAC") for a certificate to construct a natural gas pipeline to serve the East Park Industrial Park in Boyd County, Kentucky. The application requests an informal conference with KOGAC and Commission Staff. KOGAC also requests it be granted a deviation from "807 KAR 5:004(14)," including permission to file financial data less than 90 days old. The request for deviation, however, appears to have no bearing on the regulation as it relates to the circumstances of the filing. The Commission finds that an informal conference should be held to clarify all issues before the Commission.

IT IS THEREFORE ORDERED that:

1. KOGAC shall appear on May 26, 2000, at 10:00 a.m., Eastern Daylight Time, in Conference Room 1 of the Commission's office at 211 Sower Boulevard, Frankfort, Kentucky, for the purpose of an informal conference with Commission Staff to consider any matter which would aid in the handling or disposition of this proceeding.
2. KOGAC should present any detail maps of the pipeline route as surveyed and marked and related facilities.

3. KOGAC should provide any contract bid documents.
4. The motion for deviation is denied.

Done at Frankfort, Kentucky, this 24<sup>th</sup> day of May, 2000.
